Pulse, the official publication of the Pennsylvania Association of Mutual Insurance Companies. The quarterly magazine will include original content covering topics such as legal issues, claims, compliance, financial, and a section looking at our history.

The Pennsylvania Association of Mutual Insurance Companies (PAMIC) is a trade association that was originally formed for mutual insurance companies, writing property and casualty lines of insurance, domiciled or authorized to do business in Pennsylvania. It was formed in 1907 by several mutual companies who voluntarily united for common purposes. Today it is comprised of over 60 companies, mostly mutual and some stock, located in Pennsylvania and surrounding states encompassing Maryland, New Jersey, New York, West Virginia, and Virginia.

PAMIC also has an associate membership base composed of groups that support the insurance industry. These associate members include, but are not limited to, re-insurers, law firms, independent adjusters and information systems services. PAMIC currently has over 100 associate members.

PULSE DIGITAL ADVERTISING OPTIONS

Digital advertising offers the opportunity to engage readers with interactive features unavailable in print. You can add video, audio, and animations. It also gives readers the benefit of a mobile platform with all the familiarity of a traditional print layout. It can be read on multiple devices, printed or saved as a PDF to be reviewed at a later date.

SPONSOR BANNER/AD

This package is for those who really want to make an impact! The clickable ad appears to the left of the front cover when the book is closed and is the largest size of digital ads available. A scrolling, clickable banner ad is also included. Only one package is available and will be sold on a first-come, first-served basis.

BANNER AD

Banner ads are a great way to visually deliver your message. Scrolling, clickable banners will appear at the top of the screen above the magazine. Limited quantities are available on a first-come, first-served basis.

VIDEO/AUDIO*

The audio/video option allows you to embed a sound or video clip directly into your ad.

INTERACTIVE LINKS*

Interactive links will allow readers to click on any of your linkable text or photos on your ad, including: website, email, phone, and social media.

**Only available with purchase of additional print advertising.*
